

Dear Potential Montgomery County Hazard Mitigation Committee Member:

A final reminder that our first meeting will be:

Wednesday, October 19, 2022

6:30 PM

**County Board Room, 2nd Floor of Historic Courthouse
1 Courthouse Square, Hillsboro**

In our previous email reminder (sent last week), we introduced the Montgomery County HMP Citizen Questionnaire (<https://www.surveymonkey.com/r/MontgomeryCQ>).

If you have not yet done so, please take a very few minutes and complete this survey. FEMA requires we document how the public was given the opportunity to be involved in the planning process and how their feedback was incorporated into the Plan. Through this survey, we gauge public perception about the natural hazards that impact the County. We also would appreciate it if you **would make the survey available to your constituents, if possible**. Please feel free to **post this link to your website or Facebook page**. If you would rather have a fillable pdf of the questionnaire that can be printed or emailed, please let us know.

We hope to see you at the meeting on Wednesday,
Ken

Ken Runkle, REHS, DPA
